RE: Mel and Lerah Parker / Libby Asbestos Site  
Our File No. 00-039

Dear Mr. Cohn:

Enclosed is the Parkers' proposed Reimbursement Agreement to resolve only issues relating to the personal items, equipment and inventory disposed of pursuant to the response action. I believe this draft is consistent with the changes we proposed by telephone when I last discussed this case with you. A second draft is enclosed for your convenience highlighting in bold print all of the changes that we propose.

Most of the changes were necessitated because of language relating to the unresolved real property issues, which were included in some parts of the original draft. Please call to advise at your earliest convenience as whether the proposed changes are acceptable.

Thank you.

Yours very truly,

  
Tom L. Lewis
